Dr. J. Walker's California Vin regar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. "What is the cause of the purparalleled success of Venegara Bitunparalleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient re-covers his health. They are the great covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vincoan Burrass in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congostion or Inflammation of

The properties of Dr. Walker's
Vinegar Bitters are Aperient, Diaphoretic,
Carminative, Nutritions, Laxative, Dinretic,
Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Billous.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful In-rigorant that ever sustained the sinking No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs wasted beyond

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessoe, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J.
